 ORCID: 0000-0003-1201-199X

**PhD degree*****Pharmacological risk factors for fracture in type 2 diabetes mellitus***

Dates: May 19–Jul 22 (degree awarded 25 Sep 2023)  
 Institution: Aarhus University (AU) & Steno Diabetes Center Aarhus (SDCA)  
 Advisor: Prof. Søren Gregersen, consultant, PhD  
 Discipline: Pharmacoepidemiology

**Medical degree**

Dates: Feb 12–Jan 18  
 Institution: Dept. of Clinical Medicine, Aarhus University

**Clinical work**

Apr 24–...	<b>Senior House Officer</b>	<b>General medicine</b> , Lægehuset Marselis v. Læge Karen Kjær Larsen
Nov 23–Mar 24	<b>Part-time locum</b>	<b>Regional Psychiatry, Viborg</b> , Central Denmark Region
Jul 23–Oct 23	<b>Senior House Officer, pt. 2</b>	<b>Dept. of Endocrinology and Internal Medicine</b> , AUH
May 23–Jun 23	Research leave	<i>2 months' leave to finish PhD thesis</i>
Aug 22–Apr 23	<b>Senior House Officer, pt. 1</b>	<b>Dept. of Endocrinology and Internal Medicine</b> , AUH
May 19–Mar 21	<b>Part-time locum</b>	<b>AUH Psychiatry</b> , Central Denmark Region
Nov 18–Apr 19	<b>House Officer ("KBU")</b>	<b>Dept. of Psychosis (S7)</b> , AUH Psychiatry
May 18–Oct 18	<b>House Officer ("KBU")</b>	<b>Dept. of Endocrinology and Internal Medicine</b> , AUH
Feb 18–Apr 18	<b>House Officer ("pre-KBU")</b>	<b>Dept. of Endocrinology and Internal Medicine</b> , AUH
Aug 16–Dec 16	<b>Student internship</b>	<b>Dept. of Cardiology</b> , Aalborg University Hospital

**Course participation**

Nov 19	<b>Basal Metabolism and Molecular Mechanisms in Diabetes</b> (2.30 ECTS), Danish Diabetes Academy
Apr 16	<b>Akutte invasive procedurer</b> , SATS Aarhus
Apr 16	<b>Emergency medicine, level 2</b> , OAMS (Oslo Akuttmedisinske Studentforening), Oslo, Norge
Sep 15	<b>Diving Medicine Summer School</b> , Dive with Doctors, Dahab, Egypten
Sep 14	<b>SATS Katastrofekursus</b> , SATS Aarhus

**Communication**

2020–2022	<b>Q&amp;A forum: 300+ questions answered</b> (Facebook page "Ask a doctor about coronavirus")
Award	<b>Best Flash Talk</b> , PhD Day 2020, Health, AU

**Teaching**

Oct 18	3 hours, <b>Communication in medicine</b> (medical and nursing students), Student associations: PUST & SATS, AU
Sep 17	3 hours, <b>Crisis communication in medicine</b> (medical students), Student association: SATS, AU

**Presentations**

Sep 22	<b>Pharmacological risk factors for fracture in type 2 diabetes mellitus</b> , Thursday Meeting, Dept. of Endocrinology
Jun 22	<b>Pharmacological risk factors for fracture in type 2 diabetes mellitus</b> , Clinical conference, SDCA
Mar 22	<b>Undertaking a PhD</b> , Steno Thursdays, SDCA
Dec 21	<b>The insulin suppression test as an alternative to HIEC for measuring insulin sensitivity</b> , META lab meeting, SDCA
Feb 20	<b>Measuring insulin sensitivity: the insulin suppression test and HIEC</b> , Thursday Meeting, Dept. of Endocrinology
Jan 20	<b>Diabetic bone disease</b> , Reaven-lab, Stanford Cardiovascular Medicine, CA, USA

### Course participation

Jun 21	2.60 ECTS, <b>Advanced Course in Written English</b> , Health, AU
Feb 20	2.80 ECTS, <b>Research Presenter – Educational Informatics</b> , Health, AU
Feb 20	2.70 ECTS, <b>Principium – PhD students as teachers and learners</b> , Health, AU

### Collaboration

May 20–Sep 21	<b>Board member, The PhD association</b> , Health, AU
Oct 15–Oct 17	<b>Board member, SATS Aarhus</b> (Students' Anaesthesiologic and Traumatological Society)
Oct 15, 16 & 17	<b>Course organiser</b> for <b>SATS Catastrophe Course</b> x 3, SATS Aarhus
Maj 16	<b>Junior Organiser</b> , EMS2016 conference, Emergency Medical Services, The Capital Region of Denmark and TrygFonden

### Organisation and administration

May 24–...	Performed <b>quality improvement project</b> on uric acid arthritis, Lægehuset Marselis
Nov 22–Apr 23	<b>Clinical supervisor</b> for house officer ("KBU-læge")
Jan 21–Jan 23	<b>Early clinical rotation organiser</b> (2nd semester medical students), Dept. of Endocrinology, AUH
Feb 20–Feb 22	<b>Member</b> of the <b>PhD committee</b> and the <b>subcommittee for credits and waivers</b> , The Graduate School of Health, Health, AU
Nov 19–May 22	<b>Thursday meeting planner</b> (weekly scientific meetings), Dept. of Endocrinology, AUH
Jan 19–Apr 19	<b>Holiday shift planner</b> , junior physicians, AUH Psychiatry

### Health advocacy

Co-author	Two chapters in the book " <b>Kvalitet og patientsikkerhed under covid-19</b> " (Quality and patient safety during covid-19) Published by the Danish Society for Patient Safety.
Sep 20	Recipient of the <b>Patient Safety Award 2020</b> along with the other contributors on "Ask a doctor about coronavirus". Awarded by the Danish Society for Patient Safety.
Feb 18	<b>Instructor: Basic CPR</b> (6 hours), Salling Group
Mar 16	<b>First aid provider</b> (8,5 hours), Rally Midtjylland

### Research and academia

Publications	<b>First authorships:</b> 4	<b>Co-authorships:</b> 8
Google Scholar	<b>Citations:</b> 178	<b>H-index:</b> 8
Scopus	<b>Citations:</b> 128	<b>H-index:</b> 8

### Positions

Feb 25–...	<b>Postdoc</b> , Steno Diabetes Center Aarhus, part-time (40%) Prediction of type 2 diabetes and medication responses
May 19–Jul 22	<b>PhD student</b> , Steno Diabetes Center Aarhus and Aarhus University

### Miscellaneous roles

May 21–Jul 22	<b>Co-investigator, Step-10</b> , Novo Nordisk Efficacy and safety of once-weekly semaglutide 2.4 mg versus placebo in people with obesity and prediabetes
May 19–Jul 22	<b>Co-investigator, The SOUL Trial</b> , Novo Nordisk Semaglutide Cardiovascular Outcomes Trial in Patients with Type 2 Diabetes Mellitus

Feb 17–Jun 17	<p>Novo Nordisk</p> <p><b>Clinical Research Assistant</b>, NeuRescue ApS</p>
	<p style="text-align: center;"><b>Current collaborations and projects</b></p> <p>#1 <b>Constitutional chromosomal abnormalities and adverse outcomes of COVID-19: a nationwide study</b>, Collaboration: Dept. of Clinical Epidemiology, Dept. of Clinical Genetics &amp; Dept. of Endocrinology, Aarhus University Hospital</p> <p>#2 <b>Metcercise</b>, randomised controlled trial on the effects of exercise on bone health in type 2 diabetes Collaboration: Steno Diabetes Center Aarhus &amp; Steno Diabetes Center North Denmark (SDCN)</p> <p>#3 <b>HEADWISE</b>, national stepped-wedge cluster-RCT comparing different algorithms for cerebral CT after mild head trauma. Collaboration: Dept. of Radiology, Aarhus University Hospital, "Vælg Klogt", and the HEADWISE consortium</p>
	<p style="text-align: center;"><b>Research stays</b></p> <p>Jan 20 <b>Stanford Cardiovascular Medicine</b>, CA, USA 2 week personal training in the insulin suppression test with Dr. Fahim Abbasi og Dr. Joshua Knowles, Reaven-lab.</p> <p>Nov 21 <b>Steno Diabetes Center North Denmark</b>, Aalborg, DK 4 week research stay with Prof. Peter Vestergaard</p>
	<p style="text-align: center;"><b>Conference presentations</b></p> <p>Sep 22 <b>Short oral presentation</b>, EASD (European Association for the Study of Diabetes), Stockholm, Sweden "Fracture risk in treatment with GLP-1RA compared to DPP-4i"</p> <p>Jun 22 <b>Oral presentation</b>, DES (Dansk Society for Endocrinology) conference 2022, Kolding, Denmark "SGLT2 inhibitor treatment does not increase risk of osteoporotic fractures compared to GLP-1 receptor agonists"</p> <p>May 22 <b>Oral presentation</b>, ECE (European Congress of Endocrinology), Milano, Italy "SGLT2 inhibitor treatment does not increase risk of osteoporotic fractures compared to GLP-1 receptor agonists"</p> <p>May 22 <b>Oral presentation</b>, SSSD (Scandinavian Society for the Study of Diabetes), Reykjavik, Iceland "Fracture risk in treatment with GLP-1 RA compared to DPP4-I"</p>
	<p style="text-align: center;"><b>Other scientific meetings</b></p> <p>Dec 22 <b>Oral presentation</b>, The Dept. of Endocrinology &amp; SDCA symposium "Systemic glucocorticoid use increases fracture risk independently of type 2 diabetes mellitus"</p> <p>Jun 22 <b>Poster</b>, Steno Research Retreat "SGLT2-I treatment is not associated with an increased risk of osteoporotic fractures when compared to GLP-1 RA"</p> <p>Nov 21 <b>Oral presentation</b>, SDCA-SDCN research symposium "Diabetic bone disease"</p> <p>Jan 21 <b>Online poster</b>, PhD Day 2021, Health, AU "SGLT2-inhibitors and fracture risk"</p> <p>Jan 20 <b>Flash talk</b>, PhD Day 2020, Health, AU "Diabetic bone disease"</p>
	<p style="text-align: center;"><b>Teaching</b></p> <p style="text-align: center;">(active teaching hours stated)</p> <p>13h 30m <b>Clinical teaching</b> (medical students, 2nd semester), Dept. of Endocrinology, AUH</p> <p>42h 30m <b>Simulation: Emergency medicine week</b> (medical students, 12th semester), Health, AU</p> <p>03h 00m <b>Lecture: Basic diabetology</b> (molecular medicine students, 9th semester), Health, AU</p> <p>92h 00m <b>Instructor: Basic CPR</b> (medical students, 2nd semester), Health, AU</p> <p>29h 45m <b>Simulation: Emergency medicine and communication</b> (medical students), SATS Catastrophe Course &amp; The FAM Day</p> <p>26h 45m <b>Teaching and simulation: Emergency medicine</b> (medical students), SATS Aarhus</p>

35h 00m	<b>Practical training: venous access, arterial blood gas, ultrasound/eFAST</b> (medical students), FADL, SATS Aarhus
03h 00m	<b>Practical training: Thoracostomy on pigs</b> (medical students), SATS Aarhus
<b>Peer reviewer</b>	
Journals	Frontiers in Endocrinology Basic & Clinical Pharmacology & Toxicology Scientific Reports
<b>R-udvikler</b>	
R-package	<a href="https://github.com/zheer-kejlberg/Z.gtsummary.addons">https://github.com/zheer-kejlberg/Z.gtsummary.addons</a> Open-source R-package to add SMD-values and to mask microdata in baseline tables developed using {gtsummary}
R-package	<a href="https://github.com/zheer-kejlberg/publistR">https://github.com/zheer-kejlberg/publistR</a> An R-package to easily create structured and formatted publication lists
<b>Course participation</b>	
May 22	3.10 ECTS, <b>Causal Inference in Health Science</b> , Health, AU
Mar 22	2.00 ECTS, <b>Which Covariates to Adjust for: An introduction to causal directed acyclic graphs</b> , Health, AU
Mar 22	3.10 ECTS, <b>Introduction to Machine Learning in Health Sciences</b> , Health, AU
Oct 21	5.00 ECTS, <b>Stanford Medical Statistics Certificate</b> , Stanford Online
Oct 20	4.70 ECTS, <b>Applying Clinical Epidemiological Methods and Danish databases to study chronic disease</b> , Health, AU
Sep 19	3.00 ECTS, <b>Responsible Conduct of Research</b> , Health, AU
Sep 19	1.40 ECTS, <b>Data Management and Stata</b> , Health, AU
May 19	<b>GCP: Good Clinical Practice</b> , Brookwood Academy
Jan 16–Jun 16	5.00 ECTS, <b>Clinical Epidemiology</b> (elective course, 9th semester), Health, AU
<b>Additional conference participation</b>	
Mar 17	<b>NAMS</b> (Norsk Akutmedicinsk Studenterforum), NTNU, Trondheim, Norge
Apr 17	<b>Prehospital Medicine Against the Elements</b> , St. Bartholomew's Hospital, London, UK
May 16	<b>EMS2016</b> (Emergency Medical Services), Emergency Medical Services and TrygFonden, Copenhagen, DK
<b>Miscellaneous</b>	
Languages	Danish, English, Arabic (Iraqi), Kurdish (Sorani)
Software	Languages: R (level: high), Python (intermediate), Matlab (beginner), STATA (beginner) IDE: RStudio, Spyder. Version Control: Git + GitHub. Package and environment management: Homebrew, conda, pip
Memberships	Danish Medical Association and Junior Doctors' Association Danish Society for Endocrinology and The Society for Young Endocrinologists Dansk Society for Pharmacoepidemiology
